

Cathedral City High School Bands Fundraiser Student Account Contract

I _____, parent/guardian of band member _____ would like to have a portion of the _____ fundraiser placed in my son/daughter's CCHS Band Booster Student Tour Account. We have read the band handbook regarding the use of these funds, and fully understand that the money is for assisting with tour tuition only. We further understand that these are not the student's personal funds, and the money is being held for him/her by the Cathedral City High School Band Boosters. We further understand that if we graduate out of the program or leave the program for any reason, then we can "will" the money to a band student of our choice, or have it placed back into the CCHS Band Booster general fund.
